

SAVE WAGES, BUT MAN IS INJURED

Employee of B. R. T. Railroad While Coupling Trains as Per Economical Plan, Crushed—Line Blocked.

The plan followed by the B. R. T. of making up combination trains of Bath Beach and Culver cars at Thirty-ninth street and Eighth avenue in order to save the expense of an extra motor-man to take the cars through probably cost another employee his life early to-day and blocked the Culver and Bath Beach roads a half hour during the rush hours.

The plan is to send a Culver line car across Thirty-ninth street and Eighth avenue, where it meets three cars from Seventy-fourth street on the West end line. The Culver is then put at the head of the Bath Beach cars and the wages of the motorman of one train is saved from the junction point to Sands street.

It was in coupling the cars that the man was hurt to-day, as many others have been hurt before. He was sent

to the Norwegian Hospital. There was no other line for the passengers to take and they were compelled to remain in the cars until the blockage was over.

"FOUND."

Odd Notice in Prominent Southern Paper of Interest to New York Residents.

One of the best-known newspapers in the South has the "Globe" of Dunn, N. C. its publisher, J. P. Pittman, sends us the following clipping with request to publish: "Found—by the editor of the Guide, a bottle of Hyomel, the wonderful treatment that cures catarrh without stomach dosing. We can speak in highest praise of its remarkable power to cure and relieve catarrh of the head and throat. This mention is made not as an advertisement, but in the interest of those who suffer the torture of that terrible disease, catarrh. In sending the clipping, Mr. Pittman wrote the following little piece from my paper, issued to-day. You will see from this that I desire to push the selling of Hyomel as far as possible. I am using it in my own family, and find that it gives the desired relief, so that I take pleasure in spreading the word and the knowledge of this sure relief for catarrh." Hyegeman & Co., in preparation for the catarrhal troubles of this season of the year have ordered a large stock of Hyomel, and sell it under guarantee to refund the money if it does not relieve. The complete outfit costs but \$1, and extra bottles can be obtained for 50 cents. Ask them to show you the strong guarantee under which they sell it. This remarkable remedy mediates the air you breathe, soothing and healing the mucous membrane of the air passages, and making a complete cure of the worst case of catarrh. Hyegeman & Co., The Corporation, 200 Broadway, and all branches. Mail orders filled promptly.
